Certificate of Conformity of the Factory Production Control 1463-CPR-0038/2022 rev. 3

Pursuant to the Regulation (EU) no. 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products (CPR), this Certificate applies to the following construction product:

Steel construction

Manufacturing of welded steel construction elements
 Execution class EXC1, EXC2, EXC3 according to PN-EN 1090:2:2024-10 IDT EN 1090-2:2024. CE marking according to ZA.3.3 and ZA.3.4 (method 3a, 3b according to Annex A to the standard PN-EN 1090-1+A1:2012, IDT EN 1090-1:2009+A1:2011)

marketed under the manufacturer's name or brand name:

WELDON Sp. z o.o.
Brzezówka 90A, 39-102 Brzezówka

and manufactured at the production plant:

WELDON Sp. z o.o.
Brzezówka 90A, 39-102 Brzezówka
 and
WELDON galvanising plant
ul. Metalowców 25, 39-200 Dębica

This Certificate asserts that all provisions for the assessment and verification of constancy of performance as defined in Annex ZA to this standard:

EN 1090-1:2009+A1:2011

are applied in System 2+, and that the Factory Production Control meets the applicable requirements.

This Certificate was issued first on 10.01.2022. and shall remain valid until the harmonised standard and/or the methods applied to assess and verify the performance, and/or the construction product and the conditions of its manufacturing are not substantially changed, provided that the Certificate is not suspended or withdrawn by the body which certifies the Factory Production Control.

Gdańsk, 13.01.2025

 Certification Division Director

Certificate number: 1463-CPR-038/2022 rev. 3

Scope of manufacturing	Manufacturing of steel construction elements.
Comments	The Notified Body no.1463, PRS S.A., has completed an initial inspection of the production plant and the Factory Production Control (FPC) system, and continues to supervise and assess the FPC.

General

1. The requirements of the harmonized standard EN 1090-1:2009+A1:2011 (PN-EN 1090-1:2012) Clauses B.4.1 to B.4.4 inclusive shall apply.
2. The requirements established in EN 1090-1:2009+A1:2011 (PN-EN 1090-1:2012) Clause B.4.3 are subject to specific supervision. The manufacturer is required to provide the Notified Body with written annual statements in reference to the aforementioned requirements.
3. Used technical specifications:
 - PN-EN 1090-1+A1:2012 Execution of steel structures and aluminium structures - Part 1: Requirements for conformity assessment of structural components.
4. PN-EN 1090-2:2024-10 Execution of steel structures and aluminium structures - Part 2: Technical requirements for steel structures.
